

Wednesday 11<sup>th</sup> February 2015

Dear Parents/Carers,

As you may be aware, your child is in receipt of extra funding that feeds into our school budget. This is a result of extra government funding linked to free school meals.

We try our utmost to provide the best support possible to ensure that your child achieves their full potential by providing enhanced academic and extra-curricular opportunities. We have attached details of how we propose to spend the funding this year. Further details to the impact of how the funding is spent can be accessed on our school website: [www.biltongrangeharrogate.co.uk](http://www.biltongrangeharrogate.co.uk). Click on 'About' and find the 'Pupil Premium' link.

However in order to improve our provision further we would like to hear of any thoughts or ideas you may have about the sorts of activities or resources your child may benefit from. Here is a list of some of the things we have previously spent the funding on:

- Extra-curricular clubs
- School milk
- School music lessons
- School trips and residential visits
- School swimming lessons
- School uniform
- English and Maths support books
- Other academic resources that would not normally be available

So that we can provide relevant support to your child, we would like to you complete the attached form to let the school know if there is anything in particular you would like your child to receive. For example, free school milk. In addition to this we would welcome your ideas and return it to school as soon as possible. We will aim to keep you informed about any new resources, clubs or support that your child may receive and we would welcome your thoughts throughout the year about the use of this extra funding.

Many thanks for your continued support.

Richard Street  
Deputy Head

Name of child(ren): \_\_\_\_\_

In school activities and clubs: -For example, in school music lessons.
Extra Resources: -For example, free school milk.
