

## **Suggested Time Table for isolating children in Lower Juniors**

This timetable can be moved around and completed at different times to suit your family's requirements. The times given are suggestions. We often find that children are able to focus on maths tasks better first thing in the morning, but you could change the activities around and complete them in a different order.

9:00            Reading Planet

Read your chosen book and complete the quizzes. If you have time left, spend some time enjoying a book of your choice.

9:30            Maths

Spend 10-15 mins on Times Table Rock Stars.

Then 10 on Hit the Button number bonds

Log in to Purple Mash. Go to the maths learning area and in Maths Topics, click on Number and then Number and Place Value. work through the activities. Y3 start with Age 5-7 for consolidation. If you need more of a challenge you could move on to Age 7-9

10:30          Learning break

11:00          English

Log in to Purple Mash. Click on the English Area.

Spend 10 – 15 mins on the 2Type programme. Work your way through to become an ace touch typer!

Then click on Grammar. Start working through the activities starting at Chicklets.

12:00          Learning Break/Lunch time

1:00            Topic Learning. This will focus on history.

Spend some time researching Viking life. Use the BBC bitesize class clips and learner guides to help you. You can then Login to Purple Mash. Click on the Topic area. Click on Vikings and chose a wiring task that appeals to you.

You can keep in touch with your class by posting on our year group blog. We would love to see pictures of you whilst you are not at school. You can send us pictures of yourself and your work so that you can still feel part of our team!

All passwords you will need are stuck into your child's reading record. Your child has been shown how to use all of the passworded programmes that they are being asked to use, but if you have any issues, please contact school.
