

# Early Years

Dear Parents/Carers,

We are really excited to have all the children back at school on Monday. Please find below a few polite reminders. If you have any questions, please speak to an adult in your child's class. All adults will be around 5 minutes before opening time in the Early Years outside area to support children coming into school next week.

Thank you  
Early Years Team

P.E. Will still happen every Friday. Your child will need to come to school in their P.E. kit, consisting of:  
white/red t-shirt,  
navy/black hoody, black/navy shorts or jogging bottoms and trainers.

Once the children have settled back into their normal classes we will assess each child. Each child will remain on their current colour book band until they have been assessed.

Please continue to support your child at home by reading a little each day. When a child has read 4 times at home they will receive a reading certificate.

The one-way system will still be in place and each class will line up at their designated cone as they did in the Autumn term.

As the summer term approaches, your child will need a named sun hat. It is ideal if your child can wear and all-day sun cream but if they need to apply it during the day the bottle needs to be named and your child must apply it themselves.

Please continue to write in your child's home/school book if there are any messages you wish to pass on to your child's class teacher.

We will continue to ensure that children wash their hands throughout the day.

Please ensure your child brings a named water bottle to school each day, especially as the weather gets warmer.

Your child will still be provided with fruit at snack time. If your child wants to bring a healthy snack from home they can. Please ensure it has their name on it.

Please ensure your child has a pair of wellies at school as the grass is still wet and muddy. There are lots of gardening opportunities coming up!

If your child has completed the tasks set as part of the home learning, we would prefer photographs of these to be emailed to [biltongrangeeyfs@outlook.com](mailto:biltongrangeeyfs@outlook.com) rather than come back into school. If your child really wants to bring their work to school, they can, and we will put it in a cardboard folder. If you have already emailed your child's learning you do not need to do anything!
