Message from Mrs James

Dear Parent/Carer

Its been a very busy start to the last half term of the year with lots of things going on in school.

This morning we have welcomed our new starters into school for their first morning in Reception. We are looking forward to them coming in again next week and this time they will stay with us for lunch.

We still have a couple of spaces in Reception for September! If you know any families who have a child starting school in September 2024 who are still looking for a place, please let them know they can contact the school office and arrange a visit to look round school.

Sports Days for all our key stages have come around again! At this point the weather forecast for Tuesday and Wednesday next week is not looking great. Fingers crossed this will change but if we are unable to hold Sports Days because of the weather we will message parents via text as early as we can on the day and they will we held on the reserve Tuesday and Wednesday in the first week of July.

Have a lovely weekend !

WHAT'S HAPPENING IN SCHOOL?

Launch of the Bilton Grange Reading Cafes

This week saw the launch of our Reading Cafes as part of our Reading for Pleasure Program to inspire a love of reading for all. We started with Year 2 and they had a lovely time coming into school early and sharing books with their families. We are looking forward to hosting this event for other year groups in the near future.

Unwanted Teddy Bears

If you have any unwanted teddy bears at home we are looking for donations for the Win a Bear Stall at the Summer Fair. Please bring in any unwanted bears to your child's class teacher or the school office. Thank you!

Non-uniform Bring-A-Bottle Day

Thank you to everyone who came to school in non-uniform on the last day of half term and brought in a bottle for the Bottle Tombola stall at our upcoming Summer Fair on Friday 28th June. The staff room is overflowing with bottles and this will certainly be a stall to visit on the 28th June!

Highlights from the last 2 weeks in school.....

KS1 have been looking at the different senses in Science, seeing if you could still taste something even if you couldn't see or smell it! They have also looked at creating their own healthy meals thinking about a balanced diet and the different food groups.

Reception and KS1 have learnt about Pride in their assemblies today. They discussed how we are all different and all wonderful!

Athletics club had a fun time practicing fast sprinting this week! The children enjoyed taking part in some relays and cheering each other on! Great running everyone 🏃🏃

Attendance at Bilton Grange

Why is it important to be on time for school each day?

Tips for parents - Are you having trouble getting your child to school?

If so, a set routine can help:

Have a set time to go to bed

Have a set time to get out of bed

Have uniform and school bag ready the night before

Have a set time for starting and finishing breakfast

Set a time for daily homework activities

Speak about school positively

Be firm, send your child to school every school day including their birthday and the last day of term!

Thank you for your support in helping your child get to school on time each day!
