

Dear Parents/Carers,

In the event of a partial or full school closure, a pack has been produced for each child to support you with your child's education at home. Depending on how long the school will be closed, we may send out further work to support you in the future. Please check your emails or our school website [www.biltongrangeharrogate.co.uk](http://www.biltongrangeharrogate.co.uk) and click on 'homework' on the homepage for more information. Below is a list of websites that will provide further support for all year groups:
